</table>
General editorial policies applicable throughout the preparation of articles before publication.

Authorship and contributorship

- Criteria for authorship
- Editors or editorial staff as authors of Cochrane Reviews from their Cochrane Review Group
- Changes in authorship
- Authors using a group name
- Joint first authors
- Change in author affiliation
- Deceased authors
- Changes to author name
- Changes to author contact details
- Authorship disputes

Conflicts of interest and Cochrane Reviews

- Policy: conflicts of interest and Cochrane Reviews
- Conflicts of interest declarations for Editorials

Defamation

Complaints procedure: Cochrane Library

Complimentary Cochrane Library access for Cochrane authors and Groups

Co-publication

- Policy and overview
- Arranging co-publication of a Cochrane Review
- Co-publication agreements with other journals
- Converting systematic reviews (non-Cochrane) to Cochrane Reviews
- Submitting abstracts to conferences
- Co-publication forms
- Reuse of published Cochrane content by Cochrane Groups
