

Archie Knowledge Base

Welcome to the Archie Knowledge Base.

Archie is where Cochrane Groups manage reviews and other documents, and contact details for contributors.

- Access to Archie is reserved for Cochrane editorial teams, authors of Cochrane reviews, and staff of Cochrane groups with relevant roles.
- The data for Cochrane Groups and their members are maintained by Groups themselves.

Getting started

To use Archie, you must have a personal Cochrane Account, and a role within Cochrane that allows you to access Archie.

Go to the [Archie homepage](#) and log in with your user name and password. If you do not have an account, read more about getting one under [Accessing Archie](#).

If you wish to jump right in and have a quick introduction to Archie, you should read the [Quickstart guide](#).

Support for users of Archie

Please contact support@cochrane.org if you cannot find the answer to your Archie query in the Archie Knowledge Base.

Current version of Archie

Archie version 5.3.0. Workflow template versions 1.5. [Recent updates to Archie](#).

Recent updates to Archie Help

- January 2020: Archie Help renamed Archie Knowledge Base.
- April 2019: Migrated Archie Help from RoboHelp to Confluence, a new wiki-based platform.
- November 2018: Updated [Updating Classification](#) on how to update internal notes.
- April 2018: Updated [Contact address and Affiliations](#), [Contact details in reviews](#), [Accessing Archie](#), [Managing user accounts](#), [Marking records as duplicates](#) and [Document roles](#) sections with recent changes concerning contact details and affiliations. Explained how to deal with membership project records. Renamed sections: About Addresses to Contact details and Affiliations, Becoming a user to Accessing Archie.
