

# Joint first authors

Cochrane permits adding joint first authors for when two or more authors may agreed to have contributed equally to a review and wish to share the position of first author in the byline.

This is displayed in the *Cochrane Database of Systematic Reviews* in the author information; such as shown in <https://doi.org/10.1002/14651858.CD009593.pub4>:
