Co-publication agreements with other journals

A list of **journals that have signed a Cochrane co-publication agreement** is available below.

If an author team wishes to **co-publish their review in a journal that is not listed below**, the team should refer to Arranging co-publication of a Cochrane Review.

Journal editors or Cochrane Groups interested in **arranging a Cochrane co-publication agreement** must contact Gavin Stewart, Senior Journals Publishing Manager, Wiley, gstewart@wiley.com. A template for a co-publication agreement is available for information only; see Co-publication templates for CRG Managing Editors (all agreements are administered solely by Wiley).

List of journals with Cochrane co-publication agreements

The journals listed below have all signed Cochrane co-publication agreements and are either specialty titles or regional titles. The list also records what the journal can co-publish. This list is maintained by Wiley; for queries, please contact Gavin Stewart, Senior Journals Publishing Manager, Wiley, gstewart@wiley.com.

The different forms co-publications may take, included in the list below are:

- **Short version of the review** (the abstract and/or PLS and/or an abridged version of the review content) on its own.
- As above alongside an accompanying **original commentary/article** (previously referred to as a 'Cochrane Corner').
- Short version of the review alone **translated** into a specific language with option of including it in English (language of original publication) also.

Journal/Organization	Short version of review	Original commentary/article	Translation	Other
