

Support resources (appeals)

COPE resources

All Cochrane Review Groups are members of the [Committee on Publication Ethics](#) (COPE); see [International editorial organizations: information for Cochrane Editors](#). Cochrane Editors will be guided by COPE's core practices and guidelines. COPE maintains a collection of [resources on complaints and appeals](#).

Webinar recordings

Note: These resources were produced prior to the updated appeals process active from 27 October 2022.

Webinar [recording](#) and [slides](#) (November 2017) from 'Editorial policy update: rejecting Cochrane Reviews and the appeals process' on Cochrane Training.
