

Online training on translation and post-editing

You will be able to find a range of free and paid online training via Google. You can find some recommended resources below.

Free YouTube videos by INTERACT EU project

The [INTERACT EU project](https://www.youtube.com/channel/UCRbg0k_1W8KU1xDFqZjDZtg/featured) produced 2 YouTube playlists with 17 short training videos on translation and post-editing for volunteer translators: https://www.youtube.com/channel/UCRbg0k_1W8KU1xDFqZjDZtg/featured

The videos are designed for volunteer translators in humanitarian crises, but they are a good introduction for any volunteer translators, and Cochrane translators tested the training.

TAUS e-learning

TAUS is an independent organization that shares knowledge, metrics and data to support people and businesses doing translations and related activities. TAUS offers a range of resources and training, including online courses on post-editing and quality management of translations: <https://elearning.taus.net/course/index.php>. These courses come with a fee.

Free Portuguese videos by Cochrane Brazil

Cochrane Brazil produced 7 training videos for Portuguese Cochrane translators, which are freely available on YouTube: <https://www.youtube.com/watch?v=Z6gM2Ybl2fc&list=PLE7PSOAHYt4pgkgj9dPg4FvTqAqbBfB4>
