## What is PICO annotation

(to be added - DB)

## What tools do I use and where are they

### Annotation

- There are three tools that you will need to use each time you annotate
- Log in with your Cochrane account credentials (Vocabulary does not require login)

Names are hyperlinked	Description
<a href="#">PICO annotator widget</a>	This widget is found beside the review sections that need to be annotated i.e. Methods, Studies & Analyses
<a href="#">Linkddata QA Dashboard</a>	Here you will see any annotations you have started, are working on or completed
<a href="#">Linkddata Vocabulary</a>	Search for terms to <ul style="list-style-type: none"><li>• view broader and narrower terms</li><li>• view other reviews and studies that have used the terms</li></ul>

### Communication

- [Slack](#) has an annotation guidance channel which is used as a discussion forum to post queries, comments and resolve problems

### Guidance

- All our guidance is documented here in Confluence.

## How do I annotate?

See guidance on [PICO Components](#).
