What is PICO annotation

(to be added - DB)

What tools do I use and where are they

Annotation

- There are three tools that you will need to use each time you annotate
- Log in with your Cochrane account credentials (Vocabulary does not require login)

Names are hyperlinked	Description
PICO annotator widget	This widget is found beside the review sections that need to be annotated i.e. Methods, Studies & Analyses
Linkddata QA Dashboard	Here you will see any annotations you have started, are working on or completed
Linkddata Vocabulary	Search for terms to <ul style="list-style-type: none">• view broader and narrower terms• view other reviews and studies that have used the terms

Communication

- [Slack](#) has an annotation guidance channel which is used as a discussion forum to post queries, comments and resolve problems

Guidance

- All our guidance is documented here in Confluence.

How do I annotate?

See guidance on [PICO Components](#).
