Not for Annotation - how to use this state

This state can be applied to any reviews that you are not going to annotate such as

- 1. Prognostic

- Diagnostic
 Withdrawn (see table below)
 Anything else we are not annotating

The state can always be changed if we ever decide to annotate any of the above.

Please note the following:

Withdrawn Reviews	
pre 2014	from 2014
are not found so you cannot change the state	change state to Not for Annotation
