

Manually add a review to Phrase

Add a Review to Phrase that is not available in Phrase

If you would like to translate a Review that is not available in Phrase yet, you can add it via Translate.

1. Go to <https://translate.cochrane.org/> and log in to Translate.
2. Go to the "Add review" tab.
3. Find the Review you want to translate.

Enter the CD number of the Review into the search field, and then click the "Search" button.

The screenshot shows the Cochrane Translate website. At the top left is the Cochrane logo. In the top right corner, there is a "Sign out" button. Below the logo is a navigation bar with links: Home, Add review (highlighted with a red box), All reviews, Translations, Validation errors, and Invitations. The main heading is "Manually add a review to Phrase". Below this is a form titled "Add review" with a text input field labeled "Enter Review CD number:" and a blue "Search" button.

4. The search results will display the Review title and your language. As a next step, click on the "Send to Phrase" button.

The screenshot shows the Cochrane Translate website with search results. The navigation bar is the same as in the previous screenshot. The main heading is "Manually add a review to Phrase". Below this is a form titled "Add review" with a text input field labeled "Enter Review CD number:" and a blue "Search" button.

Review to send

CD number	Review title	Action
CD001054	Community screening for visual impairment in older people	Spanish  Send to Phrase

The screenshot shows the Cochrane logo at the bottom of the page.

After you click on "Send to Phrase", the Review will be added to Phrase as a new project. That may take up to 5 minutes.
